VINIFICATION

He grapes were hand-picked during September early in the morning to ensure optimum quality. Immediately went to the winery where they were crushed and gently pressed. The resulting juice undergoes cold static decantation. The must then ferments slowly in stainless steel tanks at a controlled temperature, between 12ºC – 13º

TASTING NOTES

Clear in aperance with a distinct citrusy color. Excellente aromatic intensity deeply feeling the nose with fresh fruit and hintes of lime. Appealing to the palate, the wine holds a smooth and fresh flavour deriving from its well balanced acidity which is harmoniously combined with ripe fruit notes that culminate in a long lasting finish.

SUGGESTED PAIRINGS

A great accompainment for fish dishes and typical first plates of the Mediterranean kitchen. Serving temperature: 8ºC -10ºC.
